Dear Mr Gazdagh

On behalf of the Brisbane Roar Football Club (Club), we wanted to express our sincere thanks and appreciation for the projects undertaken by Pristine Homes.

Throughout the course of our relationship, the club has requested Pristine Homes conduct several projects to support the growth of our organisation. These include- the construction of offices, renovations on aged assets, innovation and design of bespoke infrastructure to support the Men's and Women's professional teams and being a point of contact for emergency building services.

Without question, the craftsmanship, attention to detail and the repeat requests from the club to avail of your services, clearly highlights the professionalism and skill of your company.

Pristine Homes is a valuable partner of the Brisbane Roar family and we would certainly advocate on the services you provide.

Warm regards
